Our company

About Us

Printelot (Pty) Ltd is a wholly Black owned South African based company specializing in expert office automation services including the sales/rentals of laser printers, internet solutions, PABX systems and IT services.

As your local service provider, we provide you with quality solutions and products at competitive prices, excellent customer service, and rapid response times. We always strive to be South Africa's best value and trusted supplier of all leading brands.

Why Choose Us?

Printelot Pty Ltd delivers best-value and trusted brands like Toshiba, Sharp, Fujifilm, and Kyocera. To top it off, we also offer free phone support to all existing customers.

- Competitive Rates
- Customer Service
- Experienced Technicians
- Installation & Setup
- Sales Guarantee
- Fast Response Time
- The Right Advice
- Quality Resources

Our Vision

We stand not to be superior to our competitors, but to be a better version of ourselves than yesterday, 100% Afrikan owned company in the field of office automation reseller and printing its roots base in Southern Africa.

Mission Statement

Printelot is an office automation equipment reseller, and printing company offering turnkey solutions on office communication systems and IT needs. Partnering with trusted office automation manufacturers who are environmentally responsible, ensuring the product they produce to improve business efficiency, which on the other hand don't harm the world and environment we depend upon for living. We commit to save money and time for our customers utilizing our expertise and experience accumulated over a period of years.

Motto

Business done right upholding spirit of Ubuntu!
